Wyndham Grand unveils the Chelsea Riverside Brasserie

Chelsea Harbour hotel's new restaurant to open

The Wyndham Grand is proud to announce the opening on May 18th of the new Chelsea Riverside Brasserie. Inspired by the traditional French brasserie concept, where food is fresh and uncomplicated and service is brisk but friendly, the Chelsea Riverside Brasserie will offer a British interpretation of simple classic dishes, with the emphasis on the quality and purity of locally sourced ingredients.

The new Brasserie offers all day dining in an informal atmosphere, so diners can enjoy everything from a light snack to a full three course meal. At lunch, starters include classics such as Onion Soup and Chef's Special Pâté. For a main dish diners can select from a delicious Egg Menu including Poached Eggs with Scottish Salt Beef Hash, Chives Caramelised Onion and Horseradish Cream or a Fish Menu with Shetland Islands' Mussels or traditional Fish and Chips. There's also the irreplaceable Steak and Fries, as well as a range of sandwich and pasta options.

For dinner there is a Grill section to the menu with specially aged Aberdeenshire beef on offer in a variety of cuts with a range of different sauces. Of the main courses the signature dish is the Line Caught Cornish Sea Bass. Served with crushed potatoes, baby leeks and lemongrass sauce, the dish epitomises the character of the restaurant in its simple yet innovative approach aimed at bringing out the flavours of the highest quality produce. Presentation of the dishes is pared down, yet elegant, throughout.

The Chelsea Riverside Brasserie has the most enviable location within easy reach of central London. Overlooking the glittering Chelsea Harbour, the Brasserie benefits from a glass fronted bar which boasts a generous outside terrace – the perfect place for alfresco dining or to meet friends for drinks. Indeed, the

Chelsea Riverside Bar features a delicious range of cocktails that is regularly and seasonally updated, as well as a diverse range of spirits and wines.

The Chelsea Riverside Brasserie will continue to offer its celebrated Sunday Brunch, which features a vast array of fine foods from Fruits de Mer to roasts and is the perfect lazy Sunday activity, ideal for families too as there's a play area to keep the children amused.
