

Summer in the Harbour

The Wyndham Grand London is taking advantage of its exclusive position in Chelsea Harbour by introducing a number of initiatives to make hotel guests and Londoners enjoy the summer whilst staying in London. Guests can relax on the extensive terrace overlooking the boats in the marina whilst sampling the food sizzling on the barbeque, a glass of Champagne, or a delightful afternoon tea. With 20% off* all these throughout the month of August, guests are invited to make their way to the Chelsea Riverside Brasserie where they will experience simple, yet exquisite, food in a setting unmatched by any other in London.

Anyone for a Barbeque?

The diverse barbeque menu includes favourites such as lamb kofta kebab with mint yogurt sauce and butterfly black tiger prawns with lemongrass and garlic oil, not to mention, the favourites of barbeque lovers worldwide: the burger and corn on the cob. With the a la carte and children's menu also available, all tastes are catered for.

2 for 1 Champagne Wednesdays

There's no better way to get over the 'mid week hump' than to enjoy the 2 for 1 Champagne Wednesdays at the Wyndham Grand, including a jazz pianist playing live in the background. Everyone is invited to have their own mid-week party at the Chelsea Riverside Bar and Terrace. Between 5.30pm and 7pm, for every glass or bottle of Taittinger or Champagne cocktail bought, another will be offered complimentary.

Summer Afternoon Tea

The Chelsea Riverside Brasserie has quickly established a reputation for itself for producing superb afternoon teas, rooted in creativity and offering a striking combination of fresh flavours. After a number of innovatively themed afternoon teas, this summer sees a menu that embodies those flavours evocative of picnics spent on a bright summer's day by the river; the afternoon tea includes a strawberry and clotted cream tart, Champagne and elderflower mousse on vanilla shortbread, chocolate and raspberry slice, cherry and almond cake, as well as Pimm's Jelly, homemade scones and sandwiches.
